

BFF Childcare Policies

1. All children must be 12 weeks or older to attend.
2. Parent/guardian must stay at Barre Focus Fitness during their child's stay.
3. Parent/guardian can drop off their child as early as 10 minutes before their class begins, and they must pick their child up 5 minutes after the end of their class.
4. The same parent/guardian who drops the child off must pick the child up.
5. Children with fevers, vomiting, and/or diarrhea should not attend childcare. If your child appears ill, or gets ill while in attendance, you will be asked to leave class to pick your child up.
6. Children's shoes must be removed upon entering.
7. Food and drink are prohibited.
8. We are happy to change your child's diaper as long as diapers and wipes are provided. If your child needs a diaper change, and diapers and wipes aren't provided, you will be asked to leave class to tend to your child.
9. If your child is potty trained, we encourage you to make sure your child has used the bathroom before you enter class. If he/she needs to use the bathroom while in childcare, they will use the bathroom located in the main lobby of our studio. The childcare attendant will assist them, while our studio receptionist watches the other children.
10. Please understand if there is nobody signed up for childcare in advance we may need to cancel.
11. Electronics are prohibited. If your child brings his/her own toy into the childcare room we are not responsible for the item.
12. Our goal is for you to enjoy your hour long workout in its entirety; however, if your child is extremely upset, and cannot be soothed after 20 minutes, we may need to ask you to leave class to tend to your child. Please know

that this is a last resort! We just want to ensure that the childcare attendant can focus on each child.

Childcare Pricing

Single Drop In.....\$5.00

10 Pack....\$45
